# Mission Statement

Center for Transforming Lives partners with single mothers and their children so they can thrive. To disrupt the cycle of poverty, Center for Transforming Lives applies a two-generation framework of essential services that stabilize families and help them reach financial and emotional well-being.

## PROGRAMS

### HOMELESS SERVICES

Center for Transforming Lives moves women and their children quickly off the streets and out of shelters into community-based housing. Case managers provide an array of wrap-around services to create safety and long-term self-sufficiency, including rent assistance, employment and education support and health care access.

### CLINICAL COUNSELING SERVICES

Center for Transforming Lives' Clinical Counseling Services are dedicated to the emotional well-being of women, children and families through a person-centered approach to process trauma and manage the daily stressors of life. Through the counseling program, women and their children are treated by licensed therapists who provide evidence-based, trauma-informed individual, play and family therapy.

### EARLY CHILDHOOD EDUCATION

Center for Transforming Lives provides high-quality, affordable, year-round education at three child development centers and partners with other childcare centers throughout Tarrant County. As a Head Start and Early Head Start provider, Center for Transforming Lives is able to extend the reach to serve even more children and families living in poverty.

### ECONOMIC MOBILITY

Center for Transforming Lives' Economic Mobility Services work to disrupt the cycle of poverty by engaging women in asset-building services so they can create long-term financial independence and stability for themselves and their families. The program equips participants to increase income, savings and credit scores, decrease debt and operate a positive budget.

## OUR THEORY OF CHANGE: CREATING CYCLES OF WELL-BEING

### Services

2Gen & Trauma-Informed

### Strategies

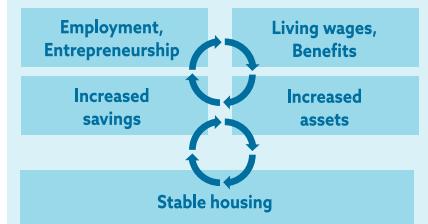

### Long-Term Benefits to Families

Work readiness + Post-secondary credentials → Work supports, child care

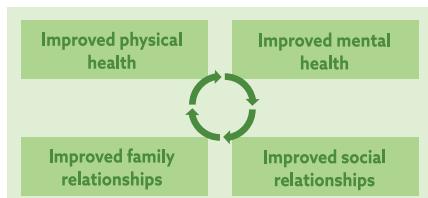

Financial Literacy

Temporary shelter or subsidized housing → Rental assistance

Access to evidence-based, trauma-informed counseling + Access to primary care and wellness checks

Parenting education + Social-emotional skills + Social capital

Early childhood education + Parent engagement in education + Social-emotional skills
